

KODAK IMOUSE Q70

WIRELESS PRESENTER WITH LASER POINTER

Up to 150 Feet Wireless Range

The Kodak IMOUSE Q70 will help you to take your presentation skills to the next level. Compatible with different presentation software and operating systems, the IMOUSE Q70 is both reliable and a robust solution for your presentation needs. With a wireless range of up to 150 feet, you can move freely and comfortably during your presentation without worrying the presenter losing its connection. To help your audience becoming more engaged during your presentation, the IMOUSE Q70 has a Class II rated laser that is bright and easy to see. Combined with its lightweight and magnetic storable nano receiver, the IMOUSE Q70 makes ideal presenter choice for those on the go.
